Built for Today's Private Investor

- Founded in 2017, Open Doors Partners was created to solve one problem: quality private deals are too often reserved for insiders
- Operates via Special Purpose Vehicles (SPVs) for legal separation of each investment
- Over 35 SPVs launched, spanning diverse sectors and investment strategies.c
- Selective and conviction-led — we prioritize quality over quantity in every deal.
- Relationship-first approach — we work closely with accredited investors to build long-term trust and aligned outcomes.

// We're not a blind pool fund.
We're not a mass-market platform.
We're a direct line into vetted private market opportunities — structured for alignment, built for trust.

Meet Our Founder

Pramod Dabir

Founder

A builder at heart, Pramod has spent the last decade scaling companies, backing founders, and simplifying access to high-quality private market investments. He's helped launch and grow multiple businesses, including West Agile Labs, Cents, Little Munchkins Daycare, and Open Doors Partners. Today, he lives in the Bay Area with his wife and son, and spends his time building intentional businesses, backing great people, and helping founders scale sustainably.

“The best investments are built on conviction, not crowds. That’s the core of what we do at Open Doors Partners.”

Curated Access. Investor Alignment.

A Five-Step Investment Model

01

Sourcing & Diligence

We identify deals through trusted networks and assess fit with our investment thesis.

02

SPV Formation

Each deal gets a dedicated SPV with legal separation and transparent terms.

03

Accredited LP Participation

Deals are shared with our network — participation is optional and allocation-based.

04

Capital Call & Execution

Capital is collected, deployed, and managed through our internal compliance team.

05

Monitoring & Exit

We issue updates, tax forms, financial documents and distribute returns upon exit.
